THE TIME OF THE END

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 358 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. The date when Christs Kingdom will come to earth has been the Holy Grail of biblical prophecy since Daniel first inquired. All of the prophets have inquired and searched carefully . . . searching what, or what manner of time, the Spirit of Christ who was in them was indicating when He testified beforehand the sufferings of Christ and the glories that would follow. Daniel was told that the time of the arrival of Christs Kingdom on earth was closed up and sealed till the time of the end. But when revealed, the wise shall understand, (Dan. 12: 9-10). Countless Christians have diligently searched for the hidden treasure. It has escaped the meticulous, chronological study of Sir Isaac Newton and the tomfoolery of Harold Camping. The earliest Christians did not believe, as do most modern Christians, that the date of Christs return cannot be known. They held an eschatology called, Chiliasm, a view that saw all of human history as a week of seven millennia, with the seventh millennium being the coming Kingdom of Christ on earth. This view was unanimously taught by those who had close connections to the Apostle John. Knowing the year of Jesus second coming was merely a matter of putting together a biblical chronology from creation. This process would yield the date of His coming in the 6000th year from creation. This book first demonstrates that Chiliasm is both biblical and apostolic. It follows Chiliasms history and demise, as Amillennialism displaced it from the fourth century onward. The author shows why the early Christian chronologies all failed. He then presents his own complete biblical chronology, from creation to the second coming of Christ,...
