Opiate addiction has reached epidemic proportions in the United States and the problem shows no signs of slowing. Overcoming addiction is tough and, with opiates, many find it nearly impossible. Overdose deaths from prescription painkillers have more than tripled over the last decade and this is just a fraction of the problem. In fact, with prescription opiate addiction now shown to be a gateway drug to heroin, the issue is only getting worse. With a clear approach to providing hard facts and drawing on her own history of opiate addiction and recovery, author Taite Adams is able to give the opiate addict or their loved ones answers to many...
