Brand New Book ***** Print on Demand *****.It's Christmas Eve in sleepy little Gambier, Ohio, and a massive snowstorm is giving the rural town more than just a white Christmas. Roads are closed, everything is shut down, and the monster outside is angry, rattling the windows and howling in the chimney. Harry Ryan has decided to stay at school over winter break to finish his term paper, but it's not going well, and now he regrets the decision that has left him stranded so far from his family. Whatever you do, don't listen to that little voice inside your head that tells you it's illogical, that it doesn't make sense. Listen for the...
