AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bartender knows best! Because the cheapest therapy you can find is often the person behind the bar at your favorite watering hole. The grown up ?Lucy-with-her-lemonade-stand-therapy?more Long Island s than lemonade?when it comes to relationships, LisaDiane has just about heard it all. With customers? stories, and anecdotes from the bar world, The Barometer: A Bartender s Guide to Measuring Up in your Relationships serves up a healthy dose of common sense and shots of honesty, with advice on the side, from the bartender s point of view. There may be variables out of your control that can contribute to the end of a relationship; but there are also those ways you can cause the hurt and sabotage yourself. It s those unintentional ? and sometimes intentional?ways you cause your own harm. The Barometer is a ?how-not-to? guide that trains you to refocus attention?and intention. Like that voice in the back of your head saying, ?Don t do it!? The Barometer is a no-holds-barred conversation with a good friend?or your favorite bartender.
