iUniverse, United States, 2014. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Where do the unrighteous go after death? What is the plight of the guilty after the Day of Judgment? Are places like heaven, hell, and the lake of fire physical locations in the universe? Biblically based and scientifically reasoned answers to these questions, and more, lead to uncovering the planet Venus as the final place for perdition. The book Venus: Don t Go There-What Science and Religion Reveal about Life after Death reviews past and present discoveries and provides future evidence for alliance between the physical sciences and the Bible. God ordained the sciences and religion to work together for the common good and to lead toward a comprehensive understanding of the future. Correlation between the Holy Scriptures and the sciences can work together to provide reasonable and meaningful truths. Through interdisciplinary study, the author determines the ultimate destiny for unsaved humanity to be within the solar system, while providing a unique perspective to life after death.
