Ingersoll (1833-99), the Great Agnostic, was the greatest freethought orator in the history of the United States. No public speaker before or since has enjoyed the reputation accorded him. After the Civil War, Ingersoll embarked upon a career as a lecturer, touring the United States to make his thoughts on religion, women's rights, and humanism known to all. Some Mistakes of Moses, one of the most popular of these lectures, is a critical examination of the Pentateuch (the first five books of the Bible). Ingersoll passionately believed that the alleged divine origins of the Bible were not sufficient reason for a suspension of critical judgement. His diatribe against Old Testament religion is a call for rationality, a quality sorely missing in this time of political upheaval in the world in the name of religion. Ingersoll greatly feared that when the Bible was read as truth rather than as a collection of fables, mankind would destroy itself in its attempt to follow the teachings of Moses to the letter. Ingersoll fervently believed that the most important...
