There is more than ordinary wisdom in the clause commencing All this was, I won t say, etc. This cautious qualification indicates great forethought. It provides a way by which, when expediency requires it, the speaker may take up the Opposite side of the question. It is as if he had said, I won t say that Tenterden Church-steeple is the cause of the Goodwin Sands; but if you are foolish enough to think so, I won t be the man to undeceive you, at least for the present.
