Harvard Educational Publishing Group. Paperback / softback. Book Condition: new. BRAND NEW, Data Wise, Revised and Expanded Edition: A Step-By-Step Guide to Using Assessment Results to Improve Teaching and Learning, Kathryn P Boudett, Kathryn Parker Boudett, Elizabeth A City, Richard J Murnane, "Data Wise: A Step-by-Step Guide to Using Assessment Results to Improve Teaching and Learning" presents a clear and carefully tested blueprint for school leaders. It shows how examining test scores and other classroom data can become a catalyst for important schoolwide conversations that will enhance schools abilities to capture teachers knowledge, foster collaboration, identify obstacles to change, and enhance school culture and climate. This revised and expanded edition captures the learning that has emerged in integrating the Data Wise process into school practice and brings the book up-to-date with recent developments in education and technology including: The shift to the Common Core State Standards. New material on the ACE Habits of Mind: practices that prioritize Action, Collaboration, and Evidence as part of transforming school culture. A new chapter on How We Improve, based on experiences implementing Data Wise and to address two common questions: Where do I start? and How long will it take? Other revisions take into account changes...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*
