Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Pacific Coast Architect, Vol. 1 The announcement of the birth of a new publication is quite naturally, received with a considerable degree of interest in any community. The interest and good wishes for the success of the Pacific Coast Architect have quite overwhelmed the publishers and we wish to express our thanks to our many friends. Precedent has placed upon our shoulders the obligation to tell you, in this first issue, something of our hopes and aims for the magazine. However, though we might use much space and take much of your time, we vastly prefer to have the coming issues speak for us. The journal will be conducted along the broadest reciprocal lines consistent with good business policy. We shall show only the best examples of the craft, constructed along the Coast. The subscription price is within the reach of all who appreciate a good publication of its kind and an effort will be made to interest the layman as well as the craftsman. We commend this issue to your consideration with the assurance that your criticisms and suggestions will at all times be gratefully received. How do you like the first issue of the Pacific Coast Architect? As we are about to go to press strenuous efforts are being made for the organization of a builders exchange and, we hope, by the time this issue reaches you the organization will have been completed by the adoption of a constitution and by-laws. According to the...
