## DON T BRING IT TO WORK

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. How can you get to the bottom of workplace behaviors that simply don t work for you or your organization? Don t Bring It to Work explores what happens when patterns originally created to cope with family conflicts are unleashed in the workplace? This groundbreaking book draws on the success of Sylvia Lafair s PatternAware program Total Leadership Connections. Throughout the book she shows how to break the cycle of pattern repetition and offers the tools that can turn unhealthy family baggage into creative energy that will foster better workplace associations and career success. Lafair identifies the 13 most common patterns that correspond to characters familiar to anyone who has ever worked in an office: Super Achiever, Rebel, Persecutor, Victim, Rescuer, Clown, Martyr, Splitter, Procrastinator, Drama Queen or King, Pleaser, Denier, and Avoider. To help overcome destructive behavior problems, she maps out the three main steps for becoming aware of patterns and finding the way OUT: Observe your behavior to discern underlying patternsUnderstand and probe deeper to discover the origins of these patternsTransform your behavior by taking action to changeThe book includes a wealth of real-life anecdotes and practical, workbook-style exercises that clearly show how anyone can get beyond old, outmoded attempts at conflict resolution and empower themselves to make profound differences both at work and in their personal lives.
