Preschool teachers face groups not only have a lot of parents of young children. there are concerns and worries. Therefore. we often say that the hardest work of novice teachers not with class. but communication with parents. So. the book with more coverage elaborate homes interpersonal communication skills. the goal is the same. sincere communication. understanding identity. and respect for differences. Teachers as long as some of the barriers to grasp the All for Children this purpose. communication with parents would be less. more understanding. Teachers should position itself in response to this type of incident. and neither parents commander. not unprincipled command can be parents. especially in response to the anger of parents. teachers emphasize equality with parents . a relationship of trust in order to help to deal with the incident. It is also very important that teachers sake of discussion about the current problems can be more effective to do a good job strain. Interpersonal communication topic of the book there is a little with the principal. colleagues share did not say much. but also the teachers often encounter in their daily work. No matter what the situation. empathy. active communication. tolerance towards self-restraint are interpersonal communication permanent rule. Finally. it needs to be emphasized: preschool...
