NURSING IN THE STORM VOICES FROM HURRICANE KATRINA

Springer Publishing Company. Paperback. Book Condition: New. Paperback. 280 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. 2010 PROSE Award Winner for Nursing and Allied Health Sciences! 2010 AJN Book of the Year Award Winner in Public Interest and Creative Works! The accounts are vivid, colorful, descriptive, intense, and often horrific and give cross-sectional views of life in the trenches during this disaster. This book is a rich primary source for both historians and disaster preparedness planners. Its not only a tribute to the courage of the nurses, but should also serve as a guide for policy planners hoping to avoid less than optimal responses to future crises. --AJN The book. . . fascinates simply for its raw documentation of the dreadful events and conditions endured by nurses, doctors, and ancillary staff as they struggled to care for critically ill patients without electricity, running water, air conditioning systems, and other resources. Five years after the levees broke, the horror and chaos of Katrina is still fresh in these accounts. Through the stories, readers are transported into the hospitals as nurses heroically work together to evacuate babies from NICUs and vented patients from ICU, try to calm patients, family members, and coworkers, and make do with the equipment and supplies theyve got. --National Nurse Dont ever think that this cant happen to you. You are going to read this and its going to sound like we created this scenario, but this is a real scenario that happened. --Pam, Memorial Medical Center Everything that was battery operated eventually died. There were no monitors. . . we tried to take care of people in the most humane way possible. --Lois, Lindy Boggs Medical Center Nursing in the Storm: Voices from Hurricane Katrina takes you inside six New Orleans hospitals-cut off from help for days by...
