By M. A.

AAPC Publishing. Paperback. Book Condition: New. Paperback. 162 pages. Dimensions: 10.9in. x 8.4in. x 0.5in. Children with complex learning problems (CLP) need to learn important language and academic skills. These children are often in situations that may not be meaningful to them and hence are too complex for learning to occur. Due to the importance of understanding and telling stories for all children, Nurturing Narratives was developed as a story-based language intervention for children. The model emphasizes comprehension, tailors language to the child's developmental level and stresses social engagement. The acquisition of language and literacy skills is embedded in a variety of story-related activities. The book includes: 1.) A detailed description of the model 2.) Guidelines for implementing the intervention 3.) Instructions for creating materials and 4.) Supportive materials such as goals and sample stories This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
