Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

INSTRUMENTS OF THE STATE

Progressive Press. Hardback. Book Condition: new. BRAND NEW, Instruments of the State, D. W. Aossey, The Cold War is a fading memory and a New World Order looms. As the Millennium approaches, a gang of power-brokers scheme to control the world's resources. But first they need to convince the American people -- the paymasters of the lone remaining military superpower -- that their security is at risk. Americans need to fear that a new enemy is lurking like none they have ever known. And so they shall. A shadowy operative named Vu has been activated for the plan. Decades ago, his family was killed in a napalm attack during the Vietnam War, yet Vu still struggles with his violent past. Now a skilled assassin and a veteran of countless espionage operations, he has a chance at redemption. The global drug trade, mind control and the corporate media are all connected as Vu, his underworld associates and the power-brokers work their evil magic. Framed in historical events from Vietnam to the 1983 Invasion of Lebanon to the Gulf War and culminating in the events of 9/11, it's a winner-take-all proposition, and murder and mayhem make for a surprise ending in this epic tale of espionage and suspense.
