Driven into hiding in the French Pyrenees by the advancing forces of a new, one world government, Cardinal Leopold Amodeo receives a mysterious radio message from an unknown source in Northern Europe inviting him to a secret meeting. In this, the fourth book in the Gods Lions series, the non-stop action moves across the European continent as the cardinal and his dedicated team of scientists, code-breakers, archaeologists, and intelligence specialists join with others to face their greatest challenge yet in a climactic confrontation with an evil entity that has vowed to wipe them from the face of the earth.
