Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are many books about Jesus currently, some of them asking the bold question: Did Jesus even exist? Various authors like Timothy Freke and Peter Gandy, Kenneth Humphreys and S. Acharaya make claims but only present a limited amount of evidence to substantiate this claim. Did Jesus Exist? identifies and evaluates the available evidence and makes a strong case for the high probability that Jesus did, indeed, exist. Accordingly, this is a book for anyone interested in pondering the evidence and assembling a more complete picture of the historical Jesus.
