Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.The book, AFTERMATH: Lessons In Self-Defense - What to Expect When the Shooting Stops, will help you understand many aspects of a deadly force encounter. Before you venture out into the public armed, have you taken the time to consider the consequences of your involvement in a deadly force encounter? If it does happen, after the smoke has cleared, then what do you do? This book will help you to understand what to expect when the shooting stops. What do you say, to whom, and when? How do you deal with neighbors, friends, your own family, the media, the police? How do you protect yourself legally in the ongoing battle to protect your life and liberty? The author s broad mix of careers has provided both the background and experience to provide some useful guidance to you, an individual who may be called upon to use a weapon in self-defense, at some point in your life. He has been a police officer, is a practicing attorney, provides expert witness, and presents continuing legal education to attorneys across the county on the issues that arise in handling self-defense cases. The chapters of the book focus on basic, but important topics, that routinely come up in the self-defense cases. This reading will help to create awareness, and to stimulate your thought processes. It does not attempt to dispense legal advice. That is a job for your attorney, once you have established an attorney-client relationship with that professional. Cases differ and they are all fact dependent. Change the facts, you also change the application of the law, at least to some degree. This book will help guide you through the legal...
