This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Thomas Nelson. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 9.1in. x 6.0in. x 0.8in. The timeless message of the New Testament applies to people of every culture and generation. Yet there is great value in understanding the world in which that message was first revealed - its social manners, politics, religious customs, and culture. Exploring the New Testament World, written by classics and Bible scholar Dr. Albert A. Bell, Jr. , illuminates the living context of the New Testament, immersing its readers in the intriguing world of Jesus and the early church. An authority on ancient Greek and Roman language, culture, and history, Dr. Bell writes in a readable style that is accessible and enjoyable to any reader - an uncommon accomplishment among New Testament scholars today. Surveying Jewish factions of the era, the social and political structure of the Roman Empire, and the philosophies and religions that surrounded the early church, Dr. Bell helps his readers learn to think like first-century Jews, Greeks, and Romans, illuminating puzzling New Testament passages for clear understanding. Comprehensive Scripture and Subject Indexes make this volume even more useful as a manners and customs Bible companion. This authoritative guide receives high praise from college professors and Sunday school teachers alike, proving its appeal to both popular and academic audiences. A must-have reference for every pastor and an indispensable resource to any Bible reader. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
