Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

INTELLIGENT MENTORING

Prentice Hall, 2008. Hardcover. Book Condition: Neu. Gebraucht - Sehr gut Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - How to Use Mentoring to Drive Maximum Competitive Advantage Techniques and lessons from IBM's world-class mentoring programs--for every business and HR leader, strategist, Chief Learning Officer, consultant, trainer, and scholar "A crucial part of my job is to help develop and retain the more than 200,000 members of IBM's global technical community. Over the years, I have found that the true spirit of any organization is its people, and unique, world-class mentoring programs play a crucial role in their success. What I really like about Intelligent Mentoring is that it is not an academic treatise on the theory of mentoring, but a series of practical solutions that can be used by virtually any organization to gain productivity, increase retention, and improve bottom-line results." --Nick Donofrio, Executive Vice President, Innovation and Technology, IBM Corporation "We have known about the importance of mentoring in developing people for decades. Yet few organizations have successfully leveraged it as part of their HR strategy. IBM is one of those companies. Intelligent Mentoring is about more than the mentoring initiative successfully implemented at IBM. It is a guide for how companies can leverage mentoring in a way that aligns with company strategy and supports organizational and individual development. 221 pp. Englisch.
