Learn how to use Power Phrases to say what you mean and get what you want. If you have ever walked away from a situation because you didn't know what to say, or you didn't know what to say but you spoke anyway, you know about all the stress, confusion, wasted time, missed opportunities, and hurt feelings you could have avoided if only you'd said the right thing at the right time. Now internationally acclaimed executive coach and communication guru Meryl Runion introduces you to a powerful, easy-to-master communication technology that lets you say what you mean, mean what you say, and get what you want - at home, in the office, and in every social and interpersonal setting.
