By May P.E., Mike

CreateSpace Independent Publishing Platform, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Investing in Oil and Gas 2014 is for oil and gas investors who want to directly participate in the drilling of new wells or the acquisition of producing properties. It was written by a Licensed Professional Petroleum Engineer with over 20 years of experience in oil and gas exploration and production involving over 1,000 wells in multiple U.S. states and 15 countries with both international super major oil companies and small independent oil companies, in both vertical wells and deviated wells, and in all geologic settings. The book is divided in to three parts. Part I covers oil and gas operations in the field including geology, petroleum, subsurface control, seismic, drilling rigs and drilling a well, logging, coring, mud logging, completions, reservoir drive mechanisms, workovers, and selling your oil and natural gas. Part II is a discussion of legal matters and financial analyses in oil and gas investments. It covers oil and gas leases in great detail. It also delves in to deal structures and financial analyses including the construction of your projected cash flow and your return-on-investment. An additional chapter...
