Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Parsons Porch Books. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Life is a holy adventure in which our lives emerge from our relationships and the institutions that have shaped us. In this second edition, I want to give thanks to the institutions that have most shaped me spiritually and professionally: Claremont School of Theology, Claremont Graduate School, and the Disciples Seminary Foundation in Claremont; the United Church of Christ; and the Christian Church (Disciples of Christ). This book is an embodiment of the United Church of Christs affirmation: God is still speaking. I give thanks daily for my wife and partner in life, ministry, parenting, and grand parenting, Kate Epperly. Life is always an adventure with Kate: her Myers-Briggs P (perceiving) spirit keeps my J (judging) on my toes and challenges me to modify my plans at a moments notice. Her E (extroversion) has energized my I (introversion) personally and professionally. I am grateful for the impact of being a father on my personal and professional life. My son Matt has awakened me to the meaning of unconditional love and has expanded the circle of love to include his wife Ingrid and two very adventurous young boys. This book is an affirmation of Gods holy adventure in every season of life from childhood to eldership, and my two grandsons have deepened my commitment to be Gods companion in healing the world for their generation and their childrens children. I am thankful for the cloud of witness and creative companions who have inspired my adventures. In that cloud of adventurers, journeying in Gods realm of adventurous shalom, I give thanks for my mom and dad, Loretta and Everett Epperly, my brother Bill, and for mentors Bernie Loomer, Shorty Collins, Marie Fox, and Howard Thurman. I give...
