Gonzo Multimedia, United States, 2014. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Canadian born Corky Laing is probably best known as the drummer with Mountain. Corky joined the band shortly after Mountain played at the famous Woodstock Festival, although he did receive a gold disc for sales of the soundtrack album after over-dubbing drums on Ten Years After s performance. Whilst with Mountain Corky Laing recorded three studio albums with them before the band split. Following the split Corky, along with Mountain guitarist Leslie West, formed a rock three-piece with former Cream bassist Jack Bruce. West, Bruce and Laing recorded two studio albums and a live album before West and Laing re-formed Mountain, along with Felix Pappalardi. Since 1974 Corky and Leslie have led Mountain through various line ups and recordings, and continue to record and perform today at numerous concerts across the world. In addition to his work with Mountain, Corky Laing has recorded one solo album and formed the band Cork with former Spin Doctors guitarist Eric Shenkman, and recorded a further two studio albums with the band, which has also featured former Jimi Hendrix bassist Noel Redding. The stories are told in an incredibly frank, engaging and amusing manner, and will appeal also to those people who may not necessarily be fans of Corky Laing s work with Mountain, and as such, should appeal to fans of rock biographies.
