Biographies For Grades 4-8 Correlated to the Curriculum Extend the learning through this new biography series. The Library of American Lives and Times use extensive primary resources as it brings American history to life for your students. Learn about some of the greatest players who helped in shaping America as it grew from a colony to a world super power. Through a chronological narrative, enriched with diary entries, letters, and other primary documents, students will learn about the various stages of our nation s development, as well as learning to think about history from the perspective of both individuals and society. By learning about history from a particular and unique biographical perspective, each student will learn about the following themes that form the framework for the social studies standards: Culture; People, Places, and Environments; Individual Development and Identity; Individuals, Groups, and Institutions; Power, Authority, and Governance; Production, Distribution, and Consumption; Global Connections: Civic Ideals and Practices. These books are comprehensive biographical treatments of important Americans, emphasizing not just their lives, but the times in which they lived. Each book is 112 pages with dynamic full-color photos throughout. Text is designed to make the navigation and comprehension of these more extensive supplemental books an easy transition from the third-grade material under the PowerKids Press imprint. Robert Rogers: The life story of Major Robert Rogers, the New England frontiersman who recruited companies of colonial soldiers, known as Rogers Rangers, to fight for the British in the French and Indian War, is a compelling mix of military intrigue and national identity. This feisty major codified colonial military strategies into a document, known as Standing Orders, and put these principles to practice in many battles,...
